

MIKOSA has been founded in 2005 and is a project by Marco Galmacci, Rocco Pezzella, Henk Kramer and Claudius Gebele, all residents of the city of Amsterdam. Their ranges of duty overlap and responsibilities are equally entitled, but Marco Galmacci, Rocco Pezzella and Francesco Castellani mainly represent the art direction of MIKOSA whilst Claudius Gebele and his company GLGP is more in charge of the production of its magazine, events and exhibitions. Henk Kramer's gallery shop Henxs-TheShopAmsterdam is the main-selling point of all Mikosa products.

MIKOSA is a foundation for artists. MIKOSA is born to support ideas. Mikosa lives to spread free expression.

Regarding this website, we have to state the following: it contains links to other websites that MIKOSA has no control over. Consequently, MIKOSA assumes no responsibility for the content of these sites and will not be liable for any claims by third parties for any damage or injury arising from reliance on the information on these websites.

Listing and linking should not be taken as an endorsement of any kind. We cannot guarantee that these links will work all of the time and we have no control over the availability of these websites and will not be liable for any third party claim in respect of these sites.
